

NATIONAL SQUIB OWNERS ASSOCIATION

MEMBERSHIP FORM – EURO

For a Squib to be eligible to race at all at least one of its owners must be a full member of the association. Associate membership is for people interested in the Squib Class or people who wish to helm at a specified championship event. Full members benefit from a biannual magazine, Squibble, a bimonthly newsletter, eSquibber, entitlement to vote at General Meetings of the class and the right to helm at any event. We encourage Co-owners to take up full membership as otherwise they do not receive any benefits. They still are required to become Associates if they wish to receive Squibble and eSquibber and helm at a specified championship event. The sub for Full Members is €44.00 and for Associate Members is €37.50.

I wish to renew membership / join the NSOA as * Full / Associate * member and pay annually * €44.00/€37.50 (* Please delete as appropriate)

Paid by cheque / EFT* (* Please delete as appropriate)
