The National Squib Owners Association

Dear Jeremy

Through my time as NSOA Chairman it has been hugely rewarding to see how the Squib fleet at the Peninsular Sailing Club has progressed and to witness the Squib's contribution to developing sailing participation in your area. Our little keelboat class is clearly very well-suited to your needs

Your annual Championships is a celebration of this success and on behalf of the NSOA I want to wish every competitor good fun and good fortune in equal measure

We look forward to another report of a keenly-fought contest and the crowning of the latest Malaysian Squib Champion.

Very best wishes to you all

Dick Batt
NSOA Chair
